Excellent interpersonal skills foster positive relationships and facilitate smooth interactions. Committed to continuous learning and dedicated to overcoming challenges.

Education

Bachelor of Engineering - BE • Chandigarh University , Gharuan

Aug 2023 - Present

CSE • Grade: 7.5

Arunabha Mishra, a dedicated and driven student, has pursued his education at Chandigarh University. Throughout his academic journey, Arunabha has consistently demonstrated a strong passion for learning and achieving excellence.

At Chandigarh University, Arunabha actively engaged in a rigorous curriculum, consistently earning outstanding grades. He consistently showcased his exceptional analytical and problem-solving skills, allowing him to excel in subjects such as mathematics, physics, and computer science. Arunabha's commitment to academic success was evident in his consistent presence in class and his active participation in group discussions and projects.

Moreover, Arunabha actively sought opportunities to expand his knowledge and skills beyond the classroom. He eagerly participated in various workshops, seminars, and conferences related to his field of study. These experiences not only enhanced his theoretical understanding but also provided him with practical exposure to real-world scenarios.

Arunabha's impactful contributions were not limited to his academic achievements alone. He actively served as a member of several student organizations, where he took on leadership roles.

Projects

amazon clone

Oct 2023 - Present

- Developed an Amazon clone using HTML and CSS to showcase proficiency in front-end web development
- Successfully replicated the user interface and layout of the Amazon website to create a visually appealing and functional clone
- Implemented responsive design techniques to ensure optimal viewing experience across various devices and screen sizes
- Utilized HTML and CSS to create dynamic product listings, shopping cart functionality, and checkout process
- Incorporated action verbs such as "developed," "replicated," "implemented," and "utilized" to demon-

strate proactive and impactful contribution to the project

- Demonstrated strong attention to detail and adherence to design standards to accurately mimic the Amazon website's aesthetics
